

Seacoast Studios' Acting Intensive for Film & Theatre Artists

*Continue to develop the art and craft of your acting
beyond single classes and weekend workshops.*

*Translate your theatrical experience and techniques into
effective and memorable film and television performances.*

The Seacoast Studios Acting Intensive is a three-term course designed to give theatre and film actors the unique experience of Seacoast Studios' ultra-naturalistic, impulse-based techniques, and provide you with the tools to apply them with integrity and authenticity in rehearsal and performance.

Term 1: TEXT TO REHEARSAL

Efficient and effective text internalization (3x read technique) exclusive to Seacoast Studios • Translating text into imagery and events for naturalistic, effortless, authentic access • Monologue and scene presentation.

Term 2: SCENE STUDY

Ultra-naturalistic scene work: techniques and exercises for authentic performance for screen and small theatre spaces • Camera techniques: use the camera as bio-feedback to discover where you hold tension, where you are suppressing impulses, and where you can be listening more effectively.

Term 3: REHEARSAL TO PERFORMANCE

Apply all learned techniques to rehearsal of scenes for public performance • Scenes will be thematically linked to form a 'collage', giving all actors equal performance opportunity.

Class limited to 12 participants.

Students are accepted to the course based on an audition or interview. Each term builds upon the previous: terms 1 and 2 are prerequisites for term 3.
